DWELLING FIRE SUPPLEMENTAL APPLICATION for Wildfire Hardening Discounts

This Supplemental Application must be completed when the insured makes a request for a Wildfire Hardening Discount.

You may be eligible for a premium discount on your policy for improvements made to the insured premises as a means of mitigating loss from a wildfire.

Below is a list of mitigation measures for dwellings that may qualify for such discounts. I attest that the property currently has the following conditions:

Wildfire Hardening Requirements for Immediate Surroundings Discounts

A.	Vegetation and debris have been cleared from under decks.	Yes ☐	No ☐
B.	Vegetation, debris, mulch, and other combustible materials have been cleared within 5 feet of the dwelling.	Yes ☐	No ☐
C.	The property has only noncombustible materials incorporated into any improvements to the property, including fences and gates, within 5 feet of the dwelling.	Yes ☐	No ☐
D.	Combustible sheds and other outbuildings are more than 30 feet from the dwelling or as far from the dwelling as possible within the area under the control of the applicant or policyholder.	Yes ☐	No ☐
E.	Trees surrounding the dwelling have been trimmed, brush and debris removed from the yard, and the property is in compliance with state and local ordinances regarding defensible space, such as California Public Resources Code Section 4291.	Yes ☐	No ☐

Wildfire Hardening Requirements for Structure Discounts

A.	The dwelling has a Class-A Fire Rated Roof (meaning asphalt fiberglass composition shingles, stone, concrete or clay tile, or metal).	Yes ☐	No ☐
B.	The dwelling has enclosed eaves.	Yes ☐	No ☐
C.	The dwelling has ember and fire-resistant vents (approved wire mesh covering).	Yes ☐	No ☐
D.	The dwelling has upgraded windows (multi-paned) or functional shutters.	Yes ☐	No ☐
E.	The dwelling has 6 inches at the bottom of all exterior walls made of non-combustible material.	Yes ☐	No ☐

Wildfire Hardening Requirements for Community Discount

A.	The dwelling is located in a Fire Risk Reduction Community listed by the Board of Forestry pursuant to Public Resources Code section 4290.1.	Yes ☐	No ☐
B.	The dwelling is located in a Firewise USA Site in Good Standing.	Yes ☐	No ☐

By signing below, the applicant/named insured is certifying that the property currently has the above conditions. We will verify that these conditions exist as part of our property inspection process.
